CAST BIOGRAPHIES

Imani Alvarado (Lucy) will be making her ThinkTank Theatre, TYA debut as Lucy in Snoopy!!! The Musical and is thrilled to be pursuing her passion as a theatre performer. Her favorite and memorable role was Heather Chandler in Heathers (madTheatre), a role she took on two years ago. Since then, she married her best friend and biggest supporter and gave birth to their son. She would like to thank her husband and family for always being supportive and never letting her abandon her theatre dreams. She would like to pass along the message—to all those pursuing or with the desire to pursue theatre—to never give up. Life happens but don't let any interruptions be more than a pause in your career. Press play, and get out there!

Jamey Feshold (Linus) is a Tampa native who has been on a wild adventure of building an eclectic performance resume. From theme parks, dinner theatre, community plays, renaissance festivals, all the way to crashing motorcycles on fire in China, he has focused on seeing everything the performance world has to offer. After returning he was able to dive back in to the musical theatre world, performing as the Jamie in The Last Five Years understudy for 8 o'clock theatre, and Nick Bottom from Something Rotten at Stage West community playhouse. He even had his directorial Debut at Stage West with their production of "The Complete Works of William Shakespeare Abridged" this past April!

Justine Grace (Peppermint Patty) was born & raised in St.Pete Florida. She just earned her BFA in Musical Theatre from the University of Alabama at Birmingham. Recent local credits include Catherine in Pippin (SPC) and Martha in Spring Awakening(EOT). She thanks her parents, friends, and girlfriend for their love and support.

Kelli Hall (Sally Brown) is relatively new to the Tampa area! Prior to living in Tampa, she toured as a dancer with Sesame Street Live and performed on Disney Cruise Lines. She was most recently seen as blue girl in SHOUT the mod musical at the Straz. Currently, she dances for the Tampa Bay Ray Team, teaches hot yoga, and teaches high school dance and chorus. She's super excited to be working with the ThinkTank team!

Kathryn Huettel (Marice) is a recent graduate of St Leo University with a degree in Theater Studies. Besides enjoying being involved in performances such as Guys and Dolls, The Fantasticks, The 25th Annual Putnam County Spelling Bee, and more, she also loves crafting accessories and decor from recycled materials like plastic bags and magazine paper. Recently, she has been professionally narrating audiobooks that can be found on Audible. Katie is excited to be in her first professional production with ThinkTank theater!

Ryan Sturm (Charlie Brown) OH, does it feel so good to see you all again!! Ryan is <insert exuberant verb> to be back on stage with this wonderful company! So many people have suffered unimaginable loss – it is a complete privilege to be back on stage to share this timeless story. Ryan is a TTYA O.G. – appearing in several of their productions. Ryan has also played in the sandbox with the wonderful folks at Stageworks Theatre (Avenue Q) and Jobsite Theater (Silence! The Musical, The Threepenny Opera). Much peace and love, everyone – enjoy the show! www.ryansturmvo.com

Ashley Whitting (Snoopy) is an ensemble member of the City of Tampa's Creative Arts Theatre Company, where she writes, performs in, films and edits theatrical content for young audiences. She received her BFA in Writing for Film & TV from Emerson College, trained in musical improv at The Magnet Theatre in NYC and worked as an Edutainer in South Korea. Ashley is also the voice of many animated characters in the Cardioville universe.
